LDP I: FOLLOWERSHIP/LEADERSHIP

The nature of leadership can perhaps be best understood by turning the coin over and studying followership. Why do people follow leaders? People don't just follow anyone!

If we understand this, we gain insight into developing effective followership skills, and as a result become more effective leaders. The first portion of this program reviews key aspects followership behaviors.

The second portion includes a panel discussion where attendees will have the opportunity to ask followership/leadership questions and gain insight from local experts.
