

Exploring Arizona Skies

with Dr. Sky

Tuesday, July 1
6:30 - 7:30 pm
Meeting Room A

Steve Kates or “Dr. Sky”, is a celebrated radio and TV host —being noted as the people’s scientific journalist, based in Phoenix. Dr. Sky offers a phenomenal program on how to take advantage of our great Arizona skies.

Steve Kates produces a variety of multimedia science-based educational programs and is a newly appointed NASA/JPL Solar System Educator. He also writes for many local Phoenix magazines as well as a monthly column for “After Dark” magazine.
