- (14) That amplification of sound permitted to be emitted from sound trucks or bullhorns be fixed and not variable;
- (15) That the parade or motorcade continues to move at a fixed rate of speed and that any willful delay or willful stopping of said parade or motorcade, except when reasonably required for the safe and orderly conduct of the parade or motorcade, shall constitute a violation of the permit; and
- (16) Such other requirements as are found by the police chief to be reasonably necessary for the protection of persons or property.

(i) Upon a denial by the police chief of an application made pursuant to paragraph (d) of this section, the applicant may appeal from the determination of the police chief within five (5) days thereafter to the deputy city manager by filing a written notice of appeal for hearing by the deputy city manager, within three (3) working days of his receipt of the written notice of appeal.
