#### Success in 2013

We hope everyone has enjoyed tutoring thus far. We are happy to annouce that this school year has kicked off very well and we certainly have our wonderful volunteers to thank for donating their expertise and time to our 397 students. We cannot wait to see the mid-year test scores!

#### **Substitutes**

If you plan to be absent, please contact Lily at lily\_villa@tempe.gov so that she can schedule a substitute.
