As the winter season is slowly approaching, we are looking forward to all the magical, and memorable special events that we have planned for the month. We are also very excited to be able to spend more time outside enjoying the cooler weather. Our enrichment activities such as football and holiday crafts have been crowd favorites at Fuller and we hope that you hear all about it from your children. Overall, we would like to say THANK YOU for choosing to be apart of our program. We enjoy building relationships with you and your family everyday.
