Dementia Friendly Tempe
3rd Annual Community Summit

Tools for Building Resilient Caregivers

Saturday, April 7
10 a.m. – noon

Pyle Adult Center
655 E Southern Ave.
Tempe, AZ 85282

Families and friends are the cornerstone of care for people living with dementia. We can give you the tools to become a more resilient caregiver.

Summit Highlights:

- Mayor Mark Mitchell shares his story as a family caregiver
- Dr. Maribeth Gallagher and Susy Favaro, LCSW bring specific strategies to help caregivers not only survive, but thrive
- Agencies and organizations that provide critical resources for caregivers

Tempe is Arizona's first and only dementia friendly city. We will celebrate our efforts and the many volunteers who keep us expanding in our efforts to serve people living with dementia and their family caregivers. For information about Dementia Friendly Tempe, visit www.tempe.gov/DFT

To register, contact the Banner Alzheimer's Institute at (602)839-6850 or email BAIFCS@bannerhealth.com
Respite Care will be provided for those with memory loss. Please register so that we can accommodate your loved one.
