Pursuant to A.R.S. §28-1633, your vehicle registration is on hold until all court-ordered financial obligations are satisfied. A waiver may be granted pursuant to A.R.S. §28-1635, if the nonrenewal of the vehicle registration would cause an economic hardship and the failure to pay is not an intentional refusal to obey the order of the court or an intentional refusal to make a good faith effort to obtain the monies required for the payment.

Explain why the nonrenewal of the vehicle registration would cause an economic hardship and explain why payments have not been made or why the case is delinquent:
