The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year and Annual PHA Plan. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Statement of Housing Needs and Strategy for Addressing Housing Needs: The COVID 19 pandemic had a particularly huge adverse impact on low income and minority households and contributed to already fragile housing stability. Through EHV, Tempe added 50 Emergency Housing Vouchers to its portfolio to assist individuals and families who are homeless, at risk of homelessness, fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing availability.

Annual PHA Plan for Fiscal Year Beginning 07/2022
Supplemental Information**

Rent Determination: Housing Choice Voucher (HCV) payment standards are used to calculate the Housing Assistance Payment (HAP) the Housing Authority pays to the owner on behalf of the family leasing the unit. The level at which the payment standard amount is set directly affects the amount of subsidy a family will receive, and the amount of rent paid by program

participants. Tempe PHA must adopt a payment standard schedule that establishes voucher payment standard amounts for each unit size in its jurisdiction. Effective 01/01/2022, the Tempe PHA Governing Board approved increased payment standards for 1–6 bedroom units to 119% of the FMR as follows:

0-Bedroom:	\$1,196
1-Bedroom:	\$1,298
2-Bedroom:	\$1,560
3-Bedroom:	\$2,172
4-Bedroom:	\$2,473
5-Bedroom:	\$2,844
6-Bedroom:	\$3,214

B.2 New Activities: The PHA is actively undertaking new activities; however, not specifically listed on HUD Form. The PHA is a part of the City of Tempe’s Housing Services Group, and as such actively participates with the other services provided:

- The Agency endeavors to establish a project-based voucher program using up to 20% of its authorized units (224) for the purposes of deconcentrating poverty, expanding housing and economic opportunities, or providing additional housing options to vulnerable populations (experiencing homelessness, veterans, elderly, disabled). A PHA request for PBV proposals may be pursued in FY22-23.
- The Agency is currently administering a HOME TBRA program designed to end/prevent homelessness for individuals who are currently homeless, or will be homeless due to fleeing domestic violence. The current program serves 20 families and is being expanded to support a maximum of 75 families. Additional funding has been allocated to assist with the extraordinary need for rental assistance due to the COVID-19 pandemic. The program is currently pulling individuals/families off the waiting list and will continue to utilize funding to assist as many eligible households as possible.
- The Agency continues to explore and develop opportunities with the Regional Behavioral Health Authority to expand housing opportunities for individuals and families.
- The Agency continues working with the Affiliate Non-Profit (a 501 C 3) of the Housing Authority and the Community Development Block Grant (CDBG) program on a new initiative in which a portion of CDBG funding is utilized to purchase homes. These homes are then managed by the Tempe Coalition for Affordable Housing, Inc as permanently affordable rental homes available to Tempe residents with an income range of 0% to 80% of the current AMI.
- The Agency is working through the development and implementation of a collaboration with market rate developers for the inclusion of workforce housing units being included in new complexes (single or multiple).
