2024 Bulk/ uncontained trash, green organics collection schedule

To ensure an efficient collection, residents must **place items by 6 a.m. on Monday of their scheduled collection week, no earlier than 10 days prior. Holidays observed during the week will not affect the collection schedule.**

Tempe's bulk/uncontained collection service provides residents the opportunity to dispose of bulky items that do not fit in a trash container, such as furniture and non-freon appliances, and divert green organic material from the landfill at no additional charge.

Tempe bulk/uncontained garbage and green organics program

- The amount of material is limited to 10 cubic yards: the size of a small SUV.
- Only homeowners who conduct their own yard work can place their own green organics for collection. Landscapers are prohibited from placing green organic material for collection.
- Prohibited items, such as dirt, rock, concrete, cement blocks, bricks, asphalt, roofing materials, plaster, rolls of carpeting/padding, glass, railroad ties, car parts, appliances with freon, demolition, construction or scrap lumber, are not eligible for pick up.
- Trash and green organics must be separated into two distinct piles and placed four feet apart.
- Loose materials including grass and leaves should be bagged.
- All materials must be four feet away from any trash container, fire hydrant, gas meter, telephone or other utility boxes. Do not place any items over maintenance hole covers.

Curbside collection: place all items on your property along the sidewalk curb. Do not block the sidewalk.

Alley collection: place all items in the alley along your fence line.

Donate furniture, household items and building supplies that are in good condition. Resources are available at tempe.gov/YardSale.

Recycle paint, appliances, electronics and other household hazardous waste that should not be disposed of in your trash or recycling bin at the Household Products Collection Center (HPCC) at 1320 E. University Drive. Visit tempe.gov/HPCC for information.
