

Join

Councilmember Berdetta Hodge
for a special community water drive!

Saturday, July 20
9 a.m.-noon
Pyle Adult Recreation Center
655 E. Southern Ave.

Support the city's HOPE homeless outreach team and faith-partner Cooling Centers this summer. Your generous donations of bottled water will help those in need stay safe and healthy.

No RSVP needed. Just stop by any time to drop off donations and receive a free breakfast treat.

Thank you to our water drive partners Hundred Mile Brewing, Church of the Epiphany, Community Christian Church and University Presbyterian Church! If you are unable to attend our event at Pyle, please consider dropping off donations at one of these locations. For more details: tempe.gov/HeatRelief.
