

Maryanne Corder Neighborhood Grant Application FY 2024/2025

Created in 1994, this grant funds neighborhood-initiated projects designed to benefit all community members. It is named in recognition of the founder and first director of the city's Neighborhood Services Program. **Applications must be submitted by 5 p.m. on April 22, 2024.**

Name of association	# of households
Marilyn Ann	
Project location and major cross streets	160
Clark Park, Roosevelt & 19th street	
Primary contact for grant follow up (please specify role i.e. Chair, board member, treasurer, resident)	Authorizing individual , if different (will accept funds, sign contract- for HOAs typically Community Property Manager)
	
	Authorizing individual email
	Authorizing individual phone number
	Authorizing individual address

1. Project description: Describe your project in no more than three sentences.

Marilyn Ann neighbors propose a number of small park projects, to highlight the outstanding recent park improvements, and make neighbors' park experience all the more more delightful. If awarded, we propose to use grant funds for signage for Clark Park Bark Park and Clark Park Community Garden, additional outdoor seating and shade, a little free library in the playground, and a mister cooling system.

2. Project Budget (include sales tax)

Expenses	Amount
signage and bulletin board (one quote from City-recommended vendor)	\$ 8894.99
graphic design for signs	\$ 500
little free library	\$ 596
umbrellas & seating	\$ 1816.94
misters	\$ 5507.33
	\$
Required match (HOA & Crime-Free Multi-Family Housing projects only) 25% of project total: \$	
	Grant funds requested: \$ 17,315.26
	Total project cost: \$ 17,315.26

Maryanne Corder Neighborhood Grant Application—pg. 2

3. **Staff contacts** Please select all staff that you have met with and/or contacted:

- | | |
|--|---|
| <input checked="" type="checkbox"/> Neighborhood Services staff :

| <input type="checkbox"/> Landscape/Lighting/Walls: Michelle Dahlke@tempe.gov | <input type="checkbox"/> Water Conservation: Conservation@tempe.gov |
| <input checked="" type="checkbox"/> Parks/Playground: Dave McClure | <input type="checkbox"/> Other: ; _____ |
| <input checked="" type="checkbox"/> Signs: Mike Scarpitta | |

4. **Narrative**—applications are evaluated based on how well the project meets the below criteria.

Ability: If approved for funding, briefly describe your ability to complete the project in a year and how it will be maintained in the future.

We are a group of volunteers who have dedicated over 10 years improving our neighborhood and park. We have demonstrated an ongoing commitment to neighborhood projects such as the ones we propose here. Each of the four of us, KPerron, FQuijada, VRamos, & KCaudle, have spearheaded the different park projects proposed here. Evidenced by the thriving dog park, community garden, and community events, we have an exemplary record completing projects on time, and maintaining the resources and infrastructure that have made it possible to enjoy these amenities. We will continue to commit our time ensuring each budget item proposed here will be installed and completed well before the year is up, and of course properly maintained to ensure longevity.

Community Impact, Outreach and Outcomes: How does your project plan demonstrate meaningful and varied efforts to increase neighbor participation and include diverse participants? Share how your outreach process and strategies are and will continue to be as intentional and inclusive as possible. Describe how your project will impact the neighborhood/community and the desired outcome. (i.e. better health due to more physical activity or public art promoting community identification and pride).

We propose a number of small projects that will enhance the experience of neighbors from all walks of life. Signage: After years of being asked “what is that space?” it is time to consider a more permanent option—beautifully decorated signage for the garden and bark park. These two park features are points of pride; every park-goer should be able to quickly identify them and feel they are welcome there, too. We also propose a water proof & lockable park bulletin board to easily post updated information & upcoming events. We worked with the city and their recommended vendor to secure a quote for this part of our project. Please see attached quote. Little Free Library: We would love to make reading under a shady tree part of families’ experience in the park. We plan to place the LFL by benches south of the playground and have met with Dave McClure to discuss this possibility. Shaded Seating: As the community garden continues to grow—grow indeed!--with new volunteers supporting ongoing garden maintenance and the continuation of our popular bi-weekly CSA, we find our existing shaded area inadequate to meet our needs. We would like to place three additional shaded seating arrangements in the garden. We envision these seating areas will be easy to move, so that we can use them for a number of park events, including events outside of the garden. Misters: We have ongoing volunteer needs year-round and though summertime is brutal, we cannot ignore our garden when it’s hot outside. To provide some much-needed respite for those who support us during the hottest months of the year, we request a misting system to help keep everyone comfortable. A cooling misting system along with additional shaded seating areas would go a long way to activating our space year-round.

PROPOSAL

9' Aluminum Olefin Patio Umbrella, Crank Lift, Collar Tilt, Fiberglass Ribs (CGSCUF908UMB)

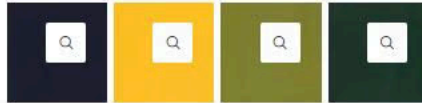

★★★★★ 1 review

\$219.00

Fade resistant patio market umbrella with sturdy fiberglass frames and water-repellent fiberglass fabric team up to create super-durable umbrellas that can withstand small gales and big elephant sneezes. The 9 foot canopy lifts into the air with an easy crank lift mechanism. The separately controlled infinity tilt can shield you from the sun at any point in its fiery orbit. Each umbrella is designed to cover 48 inch round tables; however the right base (not included) can support freestanding configurations as well.

**Marilyn Ann NA 24-25 Maryanne Corder Neighborhood Grant Application -
Clark Park and Community Garden Area Photos**

20' w x 18" h

Marilyn Ann Neighborhood Meeting

Saturday, March 2 at 10 a.m.
Clark Park Community Center
1730 S. Roosevelt St.

Greetings Neighbors!

Your Marilyn Ann Neighborhood Association will be meeting on Saturday, March 2, for leadership elections. We will also discuss community ideas and your suggestions for the 2024-25 Maryanne Corder Neighborhood Grant. Join us as we gauge interest, vote on project ideas, and review project guidelines for this grant.

Exciting NEWS! Our meeting will be held in the NEW Community Center at Clark Park! This will be a great opportunity to get an advance look at the facility and learn more about upcoming events all ahead of the grand opening
