MEMORANDUM

TO: Mayor and Council

FROM: Lauri Oszakiewski, Senior Municipal Budget & Finance Analyst

THROUGH: Lisette Camacho, Deputy City Manager

Ben Beutler, Budget Director

DATE: August 23, 2024

SUBJECT: Tax Revenue Statistical Report – June 2024

Introduction

The Municipal Budget Office (MBO) reviews the City's privilege (sales) tax collections for the General Fund (1.2%), Transit Fund (0.5%) and Arts & Cultural Fund (0.1%) and the General Fund bed tax (5.0%) to monitor the financial performance of the City's largest revenue source. This monthly analysis also provides the opportunity to determine if adjustments need to be made for any significant variances to ensure continuity of programs and service delivery. The June 2024 report summarizes our analysis of the May sales activity reported to the Arizona Department of Revenue (ADOR).

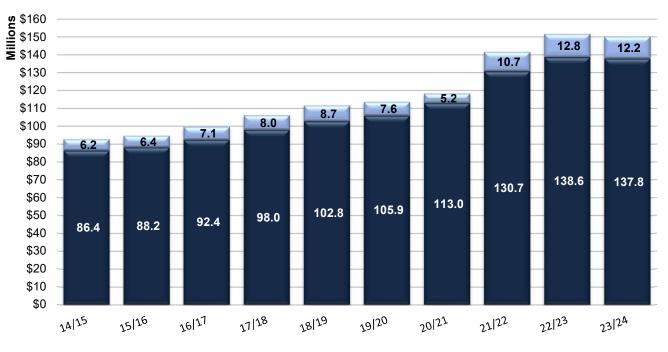

Overall Highlights

Total fiscal year to date taxable *sales* decreased by 0.9% over the same year to date period in the prior fiscal year. Total sales tax *revenue* is down 0.8% or \$1.8 million, despite growth in rentals (\$1.9 million), contracting (\$1.1 million) and restaurants (\$596 thousand) activity. The attached Executive Summary provides a summary of historical and current fiscal year taxable sales, sales tax collections by fund, tax revenues by business activity, and an analysis of retail tax revenues by activity.

General Fund Highlights

As the General Fund portion of the City's sales and bed tax revenue collections represents the General Fund's largest revenue source, further analysis is performed on these specific tax collections. The graph below depicts year to date General Fund historical sales and bed tax revenue from FY 2014/15 through FY 2023/24. General Fund sales and bed tax revenue for FY 2023/24 is down 1.0% or \$1.4 million over the prior year to date period.

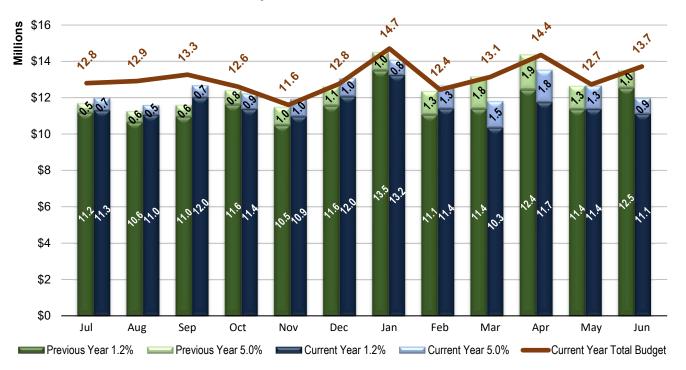

General Fund Year to Date Sales and Bed Tax Collections through June

■Jun YTD 1.2% Sales Tax

In addition to the 10-year historical comparison, we also review 12 months of General Fund monthly sales and bed tax collections compared to the previous year and to the FY 2023/24 adopted budget for the combined sales and bed tax, as noted in the graph below.

General Fund Monthly Sales and Bed Tax Collection vs. Previous Year

Finally, the MBO prepares the attached Actual to Budget Comparison report that provides a summary of FY 2023/24 General Fund sales tax, bed tax, and a combined total sales and bed tax collections compared to a projected budget amount for the month. Although sales and bed tax are not actually budgeted monthly, this type of analysis of actual collections compared to projections provides insight into sales and bed tax performance. Using this approach, fiscal year to date General Fund sales tax is \$6.9 million below revenue projections, General Fund bed tax is \$90 thousand below projections, and the combined General Fund sales and bed tax collections for the General Fund are \$7.0 million below the revenue projection.

As detailed above, sales and bed tax collections ended the fiscal year below revenue projections. The Municipal Budget Office is closely monitoring revenues and will incorporate actual revenue collections into the 5-year forecast presented to City Council in November. In the future, if overall revenue collections are not meeting projections, the city will make the necessary budget adjustments to maintain financial stability, while also ensuring the continuity of programs and service delivery for residents.
