Joint Review Committee

The Joint Review Committee reviews and makes decisions and recommendations on development actions in lieu of the Board of Adjustment and Development Review Commission for projects within the MU-Ed (Mixed-Use Educational) Zoning District. The Committee exercises the powers granted to the Board of Adjustment and the Development Review Commission, consistent with applicable law for those boards for any development action in the MU-Ed Zoning District. Any decision of the Development Services Manager, or designee, may be appealed to the Joint Review Committee for projects within the MU-Ed Zoning District.

The Joint Review Committee consists of seven regular members and five alternates. The alternates shall serve at the Committee meetings whenever a regular Committee member is unable to attend or must decline due to a conflict of interest. Three regular members and two alternate members shall be appointed by the President of Arizona State University (ASU); three regular members and two alternate members shall be appointed by the Mayor of Tempe with the approval of the City Council; and one regular member and one alternate member of the Committee shall be jointly appointed by the Mayor of Tempe with City Council approval, and the President of ASU.
