- KRC is not responsible for lost or stolen items
- Coin operated lockers are available in the locker room and on the pool deck
- All day lockers are available – see front desk staff
- Valuables may not be checked with the pool staff

REFUNDS

- Please keep your receipt
- No cash refunds given due to acts of Mother Nature or Humanity
- Wave Pool passes may be issued at the discretion of the Manager

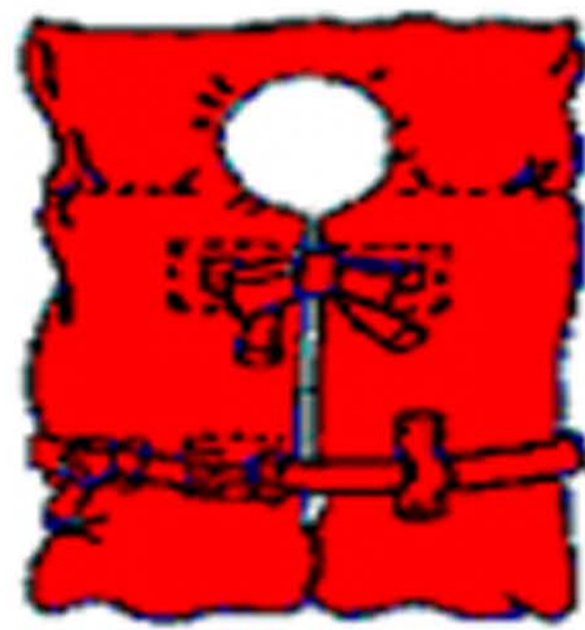

Management reserves the right to refuse admittance and/or eject from the premises any persons failing to comply with any of the above health and safety regulations

SAFETY REGULATIONS

- KRC is a tobacco and drug free facility
- **Smoking/vaping is NOT permitted anywhere in the facility or within 50 feet of the facility**
- For health and safety reasons gum and/or tobacco chewing is NOT allowed anywhere in the pool, gymnasium, or fitness center areas
- Glass containers or breakable objects of any kind are NOT allowed beyond the lobby
- Coolers and/or outside food and beverage are NOT allowed in the pool area during public access hours (**exceptions can be made for infants and special medical needs – please see Pool Facility Manager**)
- The use of cameras, video recording devices and equipment with digital photography capability is prohibited in the locker rooms
- Video recordings and photography of any kind within the pool area must be approved by the Pool Manager
- Animals are NOT permitted in the pool area
- Water toys, water wings, balls, snorkels and fins are NOT allowed in the wave pool
- Only U.S. Coast Guard Type I, II, III Approved Life Jackets are permitted in the wave pool; please see below for examples of approved life jackets:

Type I

Type II

Type III

- KRC Lifeguards and Instructors are highly trained and licensed by nationally recognized lifeguard organizations
- **Be advised that safety drills and scenarios could be staged at various times throughout public wave pool sessions and may include loud whistles and urgent response techniques by the Lifeguards**
- Guests must follow all Lifeguard safety directions
- Waves run on a computerized cycle of 15 minutes on and 15 minutes off throughout the day and are shut off during emergency situations
- All guests must stay completely out of the water during safety breaks and emergency situations
- All accidents or injuries however minor, must be reported to a Lifeguard on duty
- In the interest of safety this building is protected by a 24 hour surveillance system
- During pool emergencies the pool may be cleared for an extended period of time

We truly appreciate your cooperation in the above health and safety regulations

Management reserves the right to refuse admittance and/or eject from the premises any persons failing to comply with any of the above health and safety regulations
