2019-2020 MARYANN CORDER NEIGHBORHOOD GRANT PROGRAM

We would like to thank the City of Tempe for sponsoring the Maryann Corder grant program.

This will be our third year that we have made use of the grant program. We have already seen the results of the first approval & are anxious to see the next one come to fruition.

This year we will be applying for 3 small grants in hopes that we can bring a more cohesive & a neighborhood look to our area.

Thank you to everyone from the city that puts their time & effort to make Tempe a great place to live.

Sign toppers are one request and the curb painting a separate application.

Shauna was checking in with streets staff re the \$54 number- as far as we know that is still accurate- please use that.

Subject: Street sign toppers

Laura,

We are doing the street sign toppers for 2019 grant. We want to make sure that they are still the \$54.00 amount.

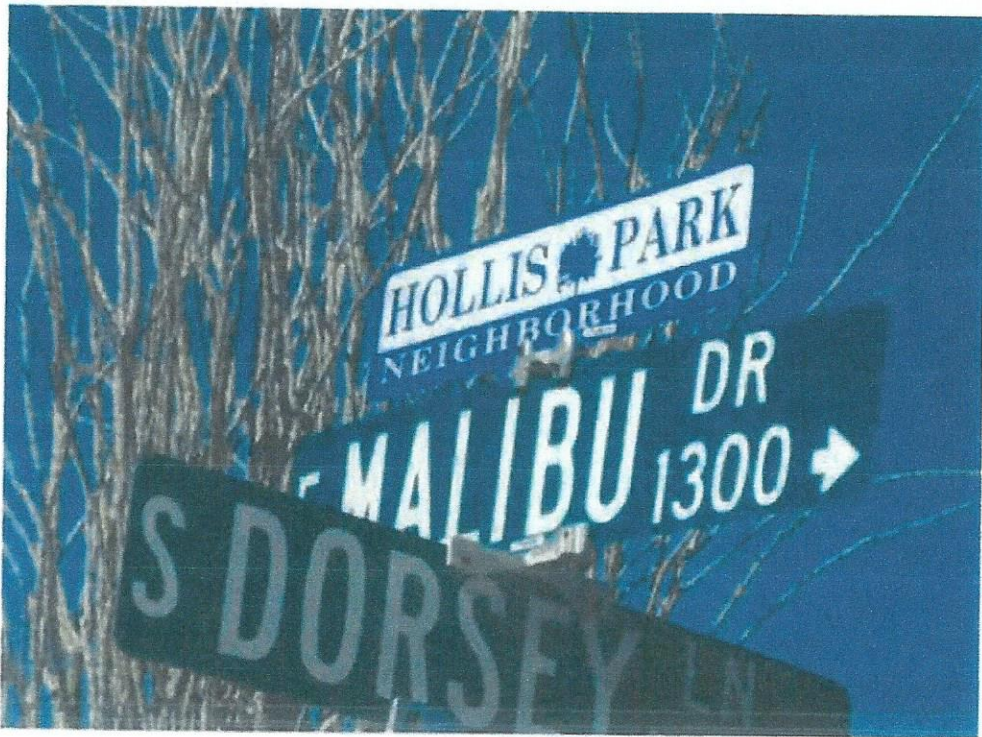

We are also doing the street address curb painting. Can we put both on the same form or do we do separate? Just want to make sure we do this right. Last year we were doing construction & you said we would have to do a separate form just wondering if it applies with this one also.

Thank you for your time.

Marion
