CITY OF TEMPE

ONLINE FLOOD INFORMATION DISCLAIMER

The information presented in these flood/storm drain studies is made available as a free public service, without express or implied warranties of any kind, and subject to the following:

The City of Tempe disclaims any responsibility and makes no representations or warranties as to the quality, accuracy, content, or completeness of any information contained in this online data. Assessing accuracy and reliability of information is the responsibility of the user. The City of Tempe shall not be liable for damages of any nature resulting from the use or misuse of information obtained here.

Information viewed, downloaded, printed or copied shall not be modified and is to be used solely for non-commercial purposes. City of Tempe makes no warranty that materials contained here are free of copyright claims or other restrictions or limitations on free use or display.

This data is for general information purposes only and is not suitable for legal, engineering or surveying purposes. The potential for flooding floodplains shown on these maps are **NOT** those delineated on the Federal Emergency Management Agency's (FEMA) effective Flood Insurance Rate Maps (FIRMs) and should not be used for flood insurance. The effective FIRMs are produced, maintained and published by FEMA and not by the City of Tempe. Please visit FEMA's Map Service Center at www.msc.fema.gov to view the effective FIRMs for Tempe or any location across the United States. For an official floodplain determination, please contact an insurance agent or mortgage lender.

This map is a representation and approximation of the relative location of geographic information, land marks and physical addresses.

Documents contained here may or may not be the most recent versions of the data, and some may be marked DRAFT, with no finalized version available.

By downloading or printing these documents, the user agrees not to use these records for commercial purposes and accepts all the terms and conditions outlined herein.
