

DEFENSIVE DRIVING CLASS

If you qualify for the defensive driving diversion option, it may be applied to **only one** eligible traffic violation. You must address any additional violations, by the appearance date on your complaint. **If you receive an extension to complete a defensive driving class, it only applies to the eligible violation.**

ADVANTAGES:

1. The violation will be dismissed.
2. You will receive no points against your license for that violation.
3. You will not have to pay the sanction amount due.

ELIGIBILITY:

You may be eligible if you meet **all of the following requirements:**

1. You have not attended a defensive driving class in the State of Arizona for dismissal of a traffic violation within the past twelve (12) months (violation date to violation date).
2. **A violation code on your complaint matches one that is noted with an asterisk (*) in the SANCTION SCHEDULE below.**
3. Your traffic violation did not result from an accident involving death or serious physical injury.

Note: a commercial driver's license holder is eligible only if the individual was driving a vehicle requiring a class D or a class M license and the vehicle was not being used for commercial purposes.

Public website: <http://www.azdrive.com>
Toll-free number: 1-888-334-5565

 3. You **MUST** bring the following to the class:
Driver license, copy of the complaint, money order/cashier's check.
- Failure to complete the defensive driving class AT LEAST SEVEN BUSINESS DAYS PRIOR to your court date will cause additional monetary penalties to be imposed and a possible hold on renewal of vehicle registration.

YOU MUST APPEAR IN COURT IF:

- Any violation code on your complaint does not appear on the sanction schedule below.
- Your complaint was issued as a result of an accident involving death or serious physical injury.
